Dear Mr. Dias:

Please accept this request for a public hearing before the Board of Forestry and Fire Protection (BOF) for THP #1-15-014 DEL on behalf of the landowner:

Mr. Mark Gautreaux

Brookings, OR 97415

In accordance to 14 CCR 1054.1, “any person submitting a plan to whom such plan is returned by the Director on the grounds that it is not in conformance with the rules of the Board, may within ten days of receipt of the plan request a public hearing before the Board consistent with Sections [1054.4 and 1054.3].”

As per 14 CCR 1054.3, “Such request shall be deemed to be filed on the date, whichever is earlier, upon which it is postmarked or the date upon which it is otherwise received at the State Board of Forestry [*and Fire Protection*] at 1416 Ninth Street, Room 1506-14, [P.O. I was notified that THP #1-15-014 DEL had been denied for approval by US. Postal Service (USPS) registered mail on January 22, 2016. Allowing for ten working days, it is Mr. Gautreaux’s and my understanding that he has until February 5, 2016 to make this request. Nevertheless, let the record show that this notification signaling his intent to request a hearing was emailed to you on February 1; if required, a request by certified mail will be sent to the BOF on February 1, 2016.

Respectfully,
