ROSEBURG RESOURCES CO.'S
BRIEFING ON APPEAL**

15
16 Roseburg Resources Co. submitted its Briefing on Appeal in the above-referenced matter
17 on October 23, 2007. Referenced and quoted in that brief (at page 11, lines 7-12) is an August 3,
18 2007 email from Bill Schultz, Deputy Chief, CalFIRE Redding Office, to Arne Hultgren. It has
19 recently come to our attention that a copy of that email was not included in Roseburg's original
20 submittal. Attached hereto, as Exhibit A, is a copy of the email.

Arne:

I received your voice-mail from this morning and Duane advised me of your call to him as well. I have tried to return your calls and left messages on both your phones. The Director's determination period is 15 working days, so August 2nd was the close for that. Management wanted a chance to review the decision before it was mailed out (I took it to the Post Office this afternoon, so it should arrive by Monday). In any event, the attached PDF file has the letter.

I would like to commend Bob Lewis and Roseburg Resources for a well written plan, and the presentation of the visual analysis was very clear and understandable; we just came to different conclusions on Unit 102.

Please call if you have any questions.

Thanks,

Bill,

Got the word from Duane, and would appreciate an electronic copy of the determination letter ASAP. We'll need that to develop a timely response.

Thanks.
