

SRA Fire Safe Regulations Update, 2014: Documents Incorporated by Reference

The following two documents were incorporated by reference (pursuant to 1 CCR § 20(c)(1)) in the SRA Fire Safe Regulations Update, 2014 and are specifically referenced in 14 CCR §§ 1273.07 and 1275.10. They were selected, among all the other standards out there, because of their common use and common recognition of them.

1. American Association of State and Highway Transportation Officials Standard Specifications for Highway Bridges, 17th Edition, published 2002 (known as AASHTO HB-17)
2. National Fire Protection Association (NFPA) Standard 1142, "Standard on Water Supplies for Suburban and Rural Fire Fighting," 2012 Edition

Public copies of these documents are available for viewing at the office of the Board of Forestry and Fire Protection
